

PUBLIC RECORDS POLICY

MIDDLE TENNESSEE NATURAL GAS UTILITY DISTRICT

Pursuant to Tenn. Code Ann. § 10-7-503(g), the following Public Records Policy for Middle Tennessee Natural Gas Utility District is hereby adopted by the Board of Commissioners for the Middle Tennessee Natural Gas Utility District to provide economical and efficient access to public records as provided under the Tennessee Public Records Act ("TPRA") in Tenn. Code Ann. § 10-7-501, et seq.

The TPRA provides that all state, county, and municipal records shall, at all times during business hours, which for public hospitals shall be during the business hours of their administrative offices, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. See Tenn. Code Ann. § 10-7-503(a)(2)(A). Accordingly, the public records of Middle Tennessee Natural Gas Utility District further to be referred to as "District" are presumed to be open for inspection unless otherwise provided by law.

Personnel of the "District" shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this Policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of the "District", shall be protected as provided by current law. Concerns about this Policy should be addressed to the Public Records Request Coordinator for the "District" or to the Tennessee Office of Open Records Counsel ("OORC").

This Policy is available for inspection and duplication in the offices of the "District". This Policy is posted online at www.mtng.com. This Policy shall be reviewed every two years.

This Policy shall be applied consistently throughout the various offices, departments, and/or divisions of the "District" except the following offices, departments, or divisions of the "District", which have separate public records policies:

- A. Public Record Request Coordinator
 - 1. The PRRC shall review public record requests and make an initial determination of the following:
 - a. If the requestor provided evidence of Tennessee citizenship;
 - b. If the records requested are described with sufficient specificity to identify them; and
 - c. If the Governmental Entity is the custodian of the records.

2. The PRRC shall acknowledge receipt of the request and take any of the following appropriate action(s):

 - i. Proof of Tennessee citizenship;
 - ii. Form(s) required for copies;
 - iii. Fees (and labor threshold and waivers, if applicable); and
 - iv. Aggregation of multiple or frequent requests.
 - b. If appropriate, deny the request in writing, providing the appropriate ground such as one of the following:
 - i. The requestor is not, or has not presented evidence of being, a Tennessee citizen.
 - ii. The request lacks specificity.
 - iii. An exemption makes the record not subject to disclosure under the TPRA by providing the exemption in written denial.
 - iv. The Governmental Entity is not the custodian of the requested records.
 - v. The records do not exist.
 - c. If appropriate, contact the requestor to see if the request can be narrowed.
 - d. Forward the records request to the appropriate records custodian in the "District".

B. Records Custodian

1. Upon receiving a public records request, a records custodian shall promptly make requested public records available in accordance with Tenn. Code Ann. § 10-7-503. If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form which is attached as Form 2, based on the form developed by the OORC.
3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Form 2 - Public Records Request Response Form.
4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Form 2 - Public Records Request Response Form to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the request can be narrowed.
5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

C. Redaction

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC.
2. Whenever a redacted record is provided, a records custodian should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.

IV. Inspection of Records

- A. There shall be no charge for inspection of open public records.
- B. The location for inspection of records within the offices of the "District's" Administrative Office should be determined by either the PRRC or the records custodian.
- C. Under reasonable circumstances, the PRRC or a records custodian may require an appointment for inspection or may require inspection of records at an alternate location. An appointment is required for records inspections.

V. Copies of Records

- A. A records custodian shall promptly respond to a public record request for copies in the most economic and efficient manner practicable.
- B. Copies will be available for pickup at a location specified by the records custodian.
- C. Upon payment for postage, copies will be delivered to the requestor's home address by the United States Postal Service. No other means of non-digital delivery are permitted.
- D. A requestor will NOT be allowed to make copies of records with personal equipment.

VI. Fees and Charges and Procedures for Billing and Payment

- A. Fees and charges for copies of public records should not be used to hinder access to public records.
- B. Records custodians shall provide requestors with an itemized estimate of the charges using Form 2 prior to producing copies of records and may require pre-payment of such charges before producing requested records.
- C. When fees for copies and labor do not exceed \$ 5.00, the fees may be waived. Requests for waiver for fees above \$ 5.00 must be presented to the PRCC of the "District", who is authorized to determine if such waiver is in the best interest of the "District" and for the public good. Fees associated with aggregated records requests will not be waived.
- D. Fees and charges for copies are as follows:
 - 1. \$0.15 per page for letter- and legal-size black and white copies.

 - 2. If aggregating:
 - a. The level at which records requests will be aggregated is at the entity level.
 - b. The PRRC is responsible for making the determination that a group of individuals are working in concert. The PRRC or the records custodian must inform the individuals that they have been deemed to be working in concert and that they have the right to appeal the decision to the OORC.
